Book Order Form

for the groundbreaking guide

Bring Butterflies Back to your Garden

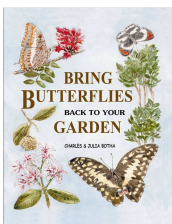

by Charles and Julia Botha

South Africa's most comprehensive butterfly gardening guide

A brand new publication from the Charles and Julia Botha stable after their much acclaimed *Bring Nature Back to your Garden*.

- * It is aimed mainly at gardeners who already have some interest in indigenous plants.
- * An encyclopaedia of butterfly gardening and yet easy to use and full of humour
- * Descriptions of over 500 indigenous plants to please butterflies
- * Includes all known indigenous butterfly larval food-plants
- * Richly illustrated with beautiful colour pictures, it will be invaluable to conservation conscious gardeners and lepidopterists across the country.
- * Proceeds from the book, including royalties, have been donated to a Botanical Education Trust under the auspices of the Botanical Society of South Africa.

Available at R145.00 each (incl VAT) plus R25.00 each p&p.
